JourneyOn™
Moving Forward to a Christ-Centered Life

Getting Started on the Journey

Everyone's journey begins at a different place.

So before we start moving forward, we need to understand where we are. Because God has a unique plan for each of us, and because we all move in different ways at different paces, the first step in finding where we are on our journey is to determine three key things:

a) Who we are

How did God make each of us as individuals?

b) Why we are

What is God's purpose for my life?

c) Where we are

What do we really think about God and where we are in our relationship with Him?

Need a Guide for the Journey?

JourneyOn Guides provide one-on-one assistance as you work through your Road Map and start taking the next steps of your journey.

To learn more about working with a JourneyOn Guide, stop by the Discipleship Center in the Atrium, or visit us online at BrentwoodBaptist.com/journeyon.

Personal Spiritual Assessment

The Personal Spiritual Assessment is a simple yet powerful online tool that asks a series of brief questions. These questions provide each of us with a creative and very interactive way to discover new things about how we learn, how we're made, and what things help to move us forward or could get in our way.

The Personal Spiritual Assessment is not about Bible knowledge. It is not a test. It will not be graded. Furthermore, it will not be viewed by anyone other than you unless you choose to share it. Its purpose is not to rank you on God's good list. It's simply a way for you to establish the best path for your journey given who you are, where you are, and why you are.

At the end of your assessment, you'll receive an interactive Road Map that will help you determine tangible next steps for continuing on your journey and provide you with a daily dashboard for marking your steps along the way.

How to Take Your Assessment

Brentwood Baptist has partnered with an interactive company called Monvee to make this powerful tool available to you. While this comes at no cost to you, Brentwood Baptist does invest a small amount for each person who takes it. We're committed to making sure you have the tools necessary for your journey, both immediately, and moving forward day to day.

All you need is an individual access code.

To get one, simply fill out the form on the back of this brochure, or request your code online at BrentwoodBaptist.com/journeyon.

PLACE

PLACE

PLACE

In addition to the Spiritual Assessment, JourneyOn also makes use of the PLACE program to help us further determine how God made us and how we can each use our specific talents and gifts for Him. PLACE classes are held regularly at Brentwood Baptist. One-on-one PLACE sessions are also available for those who have completed the class and want to dig deeper. For more information on PLACE, visit BrentwoodBaptist.com/place.

Get Involved with Others

Moving forward to a Christ-centered life happens best in groups. That's why JourneyOn provides a number of ways to get started exploring God's Word with others. LIFE Groups and Focus Studies are the best way to do this. Groups and classes are available year round. For more information about each of these, stop by the Discipleship Center in the Atrium and ask a JourneyOn Guide, or visit BrentwoodBaptist.com/journeyon.
